

REMARKS/ARGUMENTS

Claims 17-29 and 34 are currently pending.

Applicants would like to thank Examiner Chin for the indication that the pending claims contain allowable subject matter.

The Office Action rejected claim 17 under 35 U.S.C. § 112, second paragraph.

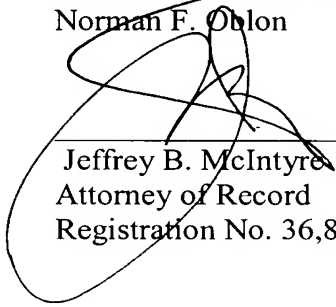

During a phone conversation on June 2, 2010, the Examiner indicated the belief that claim 17 should be amended to identify whether the required percentage of cosurfactant present is by volume or by weight. Claim 17 has been amended to identify the percentage as “by weight,” support for which exists in example 1 of the present application.

In view of the above amendment, Applicants respectfully request reconsideration and withdrawal of the rejection under 35 U.S.C. § 112, second paragraph.

Applicants believe that the present application is in condition for allowance. Prompt and favorable consideration is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
